County Cllr Saywell: Sarah Campbell has been appointed as the Neighbourhood Highways Officer to cover for Darryl Jager while he is on secondment.

Cllr Saywell requested that highways issues are reported via the website (www.devon.gov.uk/roadsandtransport/report-a-problem/) or via phone (0345 155 1004).

Darryl Jager as part of the “doing what matters” project is looking at how Highways currently operate capital work schemes and are identifying whether there are too many procedures and systems in place that are both slowing down the process and making it more expensive. The work has been focused in West Devon however they will soon start studying Great Torrington and I am hopeful a rural Parish in Torrington Rural will also be selected.

Cllr Saywell reported that the Devon and Somerset Fire and rescue service consultation is currently underway, there is no threat to the Torrington and Hatherleigh stations although Appledore is recommended for closure. Cllr Saywell asked that when the council have discussed the matter that he be sent a copy of the response.

Cllrs raised queries on the proposed yellow lines at top of village, Cllr Saywell responded that they have not yet been formally advertised but he hopes that they will be after the summer.
